

The background of the entire image shows two men in a modern office setting. The man on the left, wearing a dark blue turtleneck, is holding a white Diehl flow meter. The man on the right, wearing a white button-down shirt, is holding a white coffee cup. They are both looking at the device. A large, glowing teal sphere with internal light patterns is positioned between them. A modern pendant light hangs above the table. The overall aesthetic is professional and tech-oriented.

EMPOWER YOUR SUCCESS THROUGH PARTNERSHIP

YOUR FAST TRACK TO ENHANCED SOLUTION SALES

At Diehl Metering, we are committed to the belief that long-term partnerships hold transformative potential and are key to unlock mutual success. In today's digital-centric world, where collaboration in partner ecosystems become more and more important, we are excited to introduce our ELEVATE Diehl Metering Partner Program .

Tailored to your needs, to our valued channel partners, ELEVATE stands as our commitment and pledge to empower your future business success. Together we embark on this exciting journey, and we encourage you to discover the multiple opportunities awaiting you. ELEVATE is our global approach to foster collaboration, provide support, drive innovation, and celebrate success. We have designed the program to accelerate your personal development of abilities, enabling growth opportunities and the market's recognition of your business. It promises a genuine partnership intended to create solutions meeting exactly the needs of your customers. Leveraging years of expertise and a robust network of partners, we

consistently strive to deliver innovative and secure solutions for utilities and cities across the globe. We believe this can only be achieved with reliable partnerships and a common understanding of market conditions and trends.

Hence, I invite you to delve into this brochure and learn about the advantages of our program. Your commitment to join the ELEVATE community will be highly appreciated and we are looking forward to collaborating and celebrating future milestones together.

STRONG COLLABORATION

ELEVATE

Diehl Metering Partner Program

Diehl Metering provides an outstanding portfolio of metering devices, connectivity infrastructure, and solutions that play a pivotal role in global sustainability and resource efficiency initiatives. With a legacy spanning over 160 years and more than 100 million products deployed worldwide, our track record as a trusted solution provider for utilities and related sectors is well-established. We are eager to share our passion and expertise in the Metering industry with you, our valued channel partners.

By implementing the ELEVATE Diehl Metering Partner Program, we are transforming our collaboration to the next level. Knowing the challenges your customers are facing, we as Diehl Metering aim to give you a strong foundation to solve their current and future demands.

The ELEVATE program is a framework to equip you with essential tools, knowledge about Diehl Metering's portfolio, and multifaceted support to strengthen your market presence.

The foundation of our partner program is determined by:

**SIMPLIFY DOING BUSINESS
AND WORKING TOGETHER**

**BUILT UP EXPERTISE
AND SHARED KNOWLEDGE**

**ENABLE CHANCES TO
ENHANCE YOUR BUSINESS**

**PROVIDE COMPREHENSIVE
SUPPORT**

WHAT TO EXPECT FROM ELEVATE?

Our tiered program benefits offer business opportunities and enhance your metering expertise. Each tier level is structured to afford you the flexibility to refine your business profile, enrich the metering portfolio with added value, and distinguish yourself as a certified Program Partner. ELEVATE serves you to unlock new revenue streams depending on your enterprise's size, potential, and willingness to gain market share.

Our partner program is designed to ensure profound support for your business model while offering flexibility to adapt to evolving market conditions. Therefore, it comes with several key features targeting a sustainable and reliable partnership:

MULTI-TIERED PROGRAM WITH DIVERSE BENEFITS

TAILORED SALES ENABLEMENT

STRATEGIC MARKETING INCENTIVES

COMPREHENSIVE TRAINING AND RESOURCES

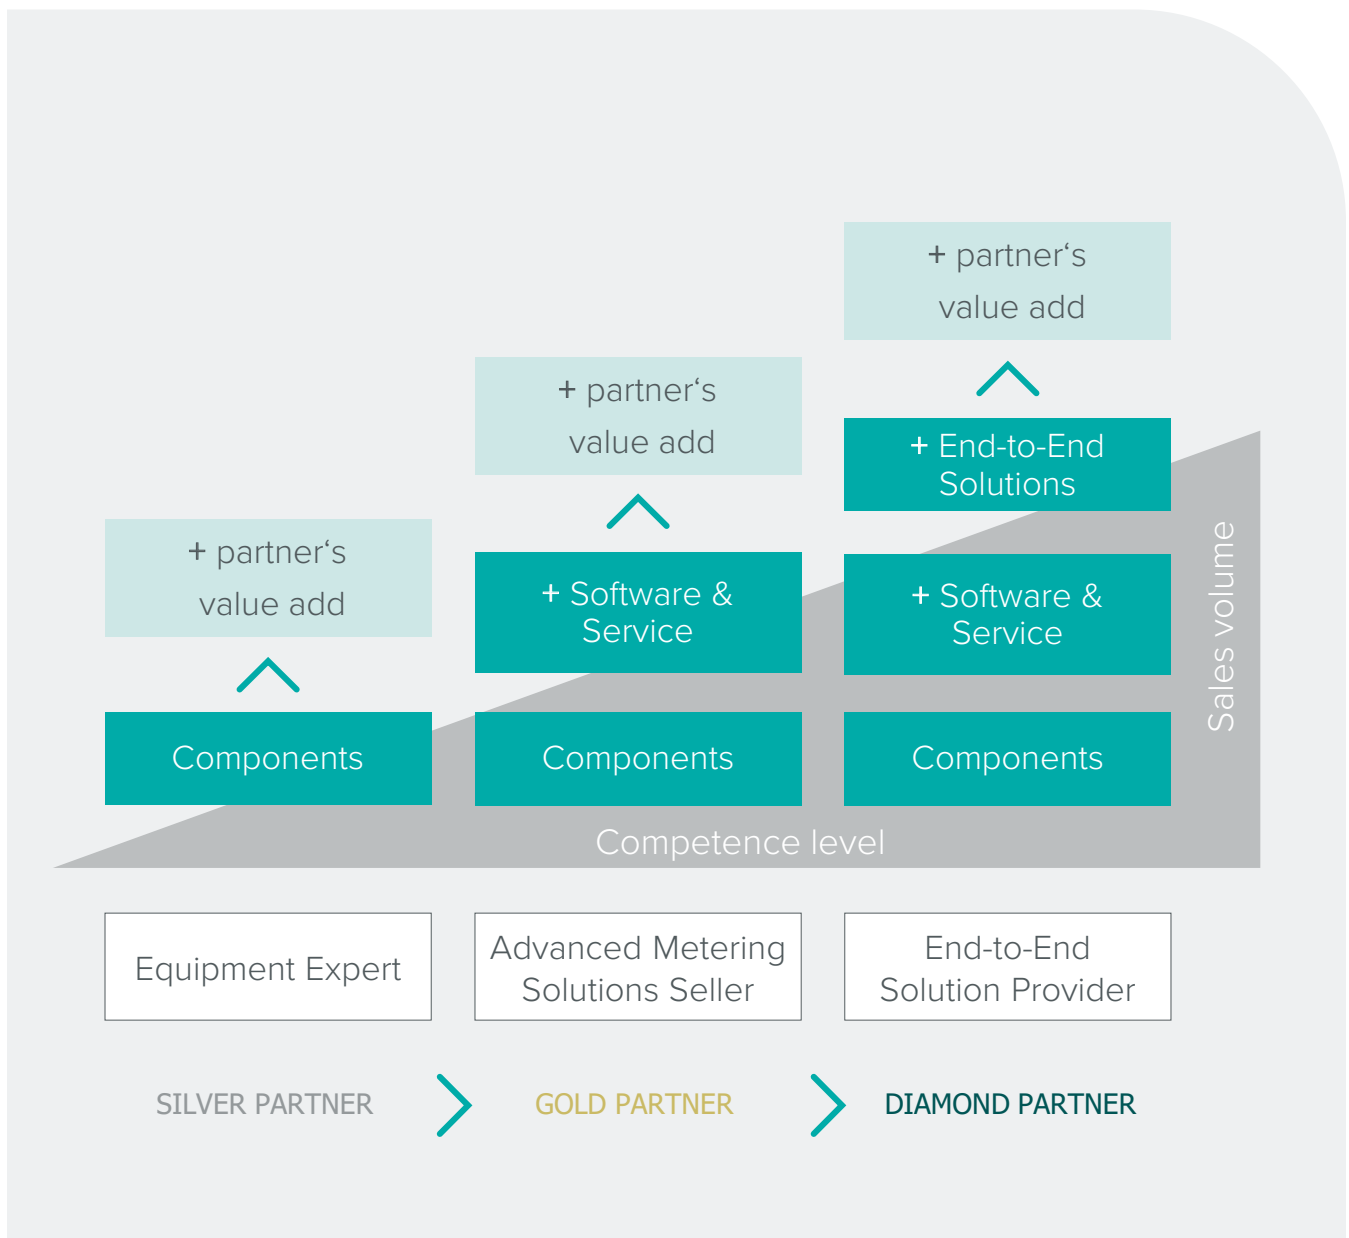

MODULAR PARTNER PORTAL FOR SEAMLESS COLLABORATION

We tailored three different tier levels, silver, gold and diamond to support your individual business based on your company's strategy and size. The ELEVATE Diehl Metering Partner Program offers a model to choose the direction of growth and success with us, be it vertical, horizontal, or a blend of both.

Vertical growth entails our support in maximizing your potential within your area of expertise. This allows you to enhance the Diehl Metering portfolio with added value that is both achievable for you and relevant to your customers.

Horizontal growth involves broadening your skills and capabilities through the Diehl Metering Training Academy to evolve your expertise into advanced metering or solution selling. This structure is designed to extend your market position.

THE PROGRAM REWARDS AND OBLIGATIONS

The ELEVATE tier levels unlock specific benefits based on jointly defined KPIs. We will guide you through initial program assessments and annual business reflections to determine your current tier and KPIs. This collaborative approach helps you decide whether to maintain your positioning or advance to the next level.

Based on your choice, a customized development and qualification plan is created, paving your personal path to growth.

Each tier awards a digital badge for marketing use that can be downloaded from our partner portal.

Aiming for mutual success, we seek partners committed to jointly defined sales goals, employee certification, marketing efforts, and similar activities. Recognizing the diversity of our partners' needs, ELEVATE's benefits are carefully chosen to optimally support your sales objectives, market expansion, and skill enhancement. They cover the following main categories:

COMMITMENT & COOPERATION

QUALIFICATION & CERTIFICATION

SALES & TECHNICAL SUPPORT

MARKETING & PROMOTION

THE ELEVATE BENEFITS

Our program tiers represent a cascaded set of beneficial support activities and tools to foster your success. Seize the chance, connect with us, and discover the benefits of ELEVATE.

UNLOCKING OPPORTUNITIES

YOUR FUTURE: TRAINED, CERTIFIED, READY TO CONQUER MARKETS

One of the key modules of the ELEVATE Diehl Metering Partner Program is our comprehensive training and certification program tailored for our partners. In today's metering world filled with IoT growth, evolving technologies, and intense market competition, mastering these trends is key to becoming a trusted provider of metering solutions. We developed a training academy to support your market efforts.

KEY FEATURES OF OUR ACADEMY

1. Specialized Training Modules

Immerse yourself in top-tier training for products and solutions, designed to equip you with the insights needed to conquer in today's dynamic market.

2. Expert-Led Sessions

Benefit from engaging in-person sessions led by industry experts, providing practical insights, best practices, and learning from successful projects.

3. Customizable Learning Paths

Tailor your learning journey to align with your business objectives. Our modular approach allows flexibility, ensuring you receive training that meets your specific requirements.

4. Certification Programs

Earn recognition and stand out in the market through our certification programs. Showcase your proficiency to clients and gain a competitive advantage.

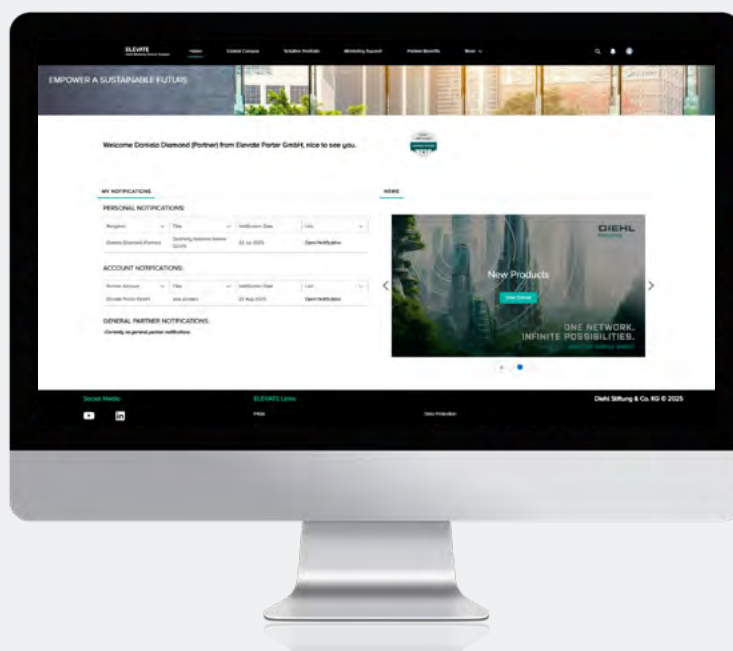

5. Continuous Support

Benefit from continuous support and resources to stay updated with the latest technological advancements and industry movements. Our commitment to your success extends beyond the initial training phase.

YOUR ALL-IN-ONE PARTNER PORTAL

Our Partner Portal is a modular platform designed to enhance your experience with us. Tailored to support your journey through our ELEVATE Diehl Metering Partner Program, the Partner Portal serves as your gateway to seamless collaboration and growth.

Through your individual login, you have instant access to a variety of resources including product information, targeted e-learning modules, promotion activities, sales tools, and other essential resources to efficiently manage your business partnership with us.
