**Änderungsgrund und Konsequenz bei nicht-Einführung / Reason for change and Consequence of non-embodiment:**

**Änderungsgrund und Konsequenz bei nicht-Einführung / Reason for change and Consequence of non-embodiment:**  
Bitte hier detailliert den Grund der Änderung angeben  
Please explain here in detail the reason for change

**Einführungspunkt / Point of Embodiment:**

- von der ersten Lieferung / from first delivery
- seit / from *Klicken Sie hier, um ein Datum einzugeben.*
- seit der ersten Lieferung / from first delivery of new P/N
- seit PO / from PO \_\_\_\_\_

**Einführungspunkt / Point of Embodiment:**  
Bitte den geplanten Einführungszeitpunkt der Änderung genau beschreiben  
Please describe the scheduled point of embodiment of the change exact

**Änderungsbeschreibung / Change description:** Bilder, Zeichnungen etc. / pictures, drawings etc.

**Pre:**

**Post:**

**Supplier**

**Änderungsbeschreibung / Change description:**  
Hier bitte eine möglichst detaillierte Änderungsbeschreibung einfügen, mit Vorher/Nachher-Darstellung  
Please insert here an explicit change description with a pre/post-presentation

Betroffene Teile / Affected Parts <small>(continued from page 1 and/or subassemblies)</small>						
Old Part Number	Amdt	New Part Number	Amdt	Interchangeability	Qty	Description

**Überprüfung der Änderung / Validation of change:**

**Supplier**

**Risikobewertung / Risk assessment:**

**Bemerkung / Remarks:**

Anhänge bitte gesondert senden / Please send attachments separately

**Betroffene Teile / Affected Parts:**  
Bitte alle betroffenen P/Ns auflisten. Wenn eine neue P/N nötig ist, kann diese entweder im Vorfeld erfragt werden oder wird im Nachgang von DA eingetragen. Please insert all affected P/Ns. If new P/Ns are necessary, it is possible to ask before sending the SCR or they will be included afterwards by DA.

**Interchangeability:**  
One-way / Two-way: One-way interchangeability means that the old part can be replaced by the new part, but the new part cannot be replaced by the old part. If the interchangeability is not given due to new substantiation, not given form-fit-function or divergent appearance.

**Überprüfung der Änderung / Validation of change:**  
Bitte hier Maßnahmen zur Überprüfung (FAI) bzw. Nachweis der Eignung der Änderung eintragen. Please insert here actions to check (FAI) / substantiate the suitability of the change

**Risikobewertung / Risk assessment:**  
Wenn Risiken durch die Änderung entstehen bitte hier auflisten. If any risks arise due to the change, please list them here

Wenn Sie zusätzliche Dokumente (Nachweise, Zeichnungen, ...) haben, senden Sie sie bitte separat. If you have additional documents (certificates, drawings, ...), please send them separately.
