## Statement of Compliance in accordance with the Product Security and Telecommunications Infrastructure Act 2022 and The Product Security and Telecommunications Infrastructure (Security Requirements for Relevant Connectable Products) Regulations 2023 ("PSTI Regs")

- The product described above complies with the relevant security requirements specified in Schedule 1 of the PSTI Regs.
- The product is delivered in the factory default state, including a default password. Before you put the product into operation, please ensure to replace the default password by a secret device-individual password. If you require assistance, please contact us at: [metering-uk-sales@diehl.com](mailto:metering-uk-sales@diehl.com).
- Defined support period for the product current from the date of supply of the product: please see product warranty information. The firmware of the product cannot be altered. The software in the product is not able to be updated or supported via over-the-air updates.  
Please note that defined support period stated herein, is only applicable to products sold in the UK.
- Contact point for the reporting of any security issues with the product described above:  
please contact us at: [metering-uk-sales@diehl.com](mailto:metering-uk-sales@diehl.com)
