

"At Diehl, we combine tradition with innovation to provide **sustainable solutions** for our customers."

MAKE IT WORK SMARTER

Strategic Buyer

These are your tasks:

By providing tailor-made **Smart Metering solutions** adapted to diverse environments and existing infrastructures worldwide, Diehl Metering actively contributes to the responsible management of natural and energy resources.

Join **Diehl** and be part of an exciting technological environment within a company built on **tradition, stability, and trust**.

We are currently seeking an **experienced Strategic Buyer** to oversee a purchasing portfolio that includes:

- **Production Procurement** of Mechanical components (€5-10M PVO).
- **Non-Production Procurement** (€10M PVO).

Key Responsibilities

- Define **procurement strategies** for assigned categories.
- Manage **daily operations** within the purchasing portfolio, including **requirements analysis, supplier sourcing, panel management, market analysis, risk management, negotiations, and contract finalization**.
- Identify and implement **cost-saving initiatives** and **efficiency improvement plans**.
- Oversee **supplier performance** (OTD/Quality), conduct **supplier audits**, and establish corrective **action plans**.

Who we are looking for:

Qualifications

- Minimum **3 years of experience** in a similar role.

Key Skills & Attributes

- Autonomous, curious, and proactive, with strong listening skills.
- Skilled in negotiation and project management.
- Strong analytical and problem-solving abilities, with a talent for synthesizing information effectively.
- **French native speaker**, fluent in English; additional languages are a plus.

Work location: Saint-Louis, Grand Est, France

Job Level: Professional

Working mode: Hybrid working

Working time: Full time

Employment contract: permanent

Division: Diehl Metering

Start: 01/05/2025

- Support **quality, logistics, and environmental initiatives** aimed at **supplier development** and compliance.

The role is **based in Saint-Louis** in Alsace, with interactions across other production sites within the group.

Travel is required in **France and internationally** (approximately **15% of the time**).

Achieve what matters, with Diehl.
