

"At Diehl, we combine tradition with innovation to provide **sustainable solutions** for our customers."

# MAKE IT WORK SMARTER

## Senior Application Specialist SAP

### These are your tasks:

Join Diehl Metering and be part of an exciting technological environment within a company built on tradition, stability, and trust.

We are currently seeking a Senior Application Specialist SAP for our St-Louis site in Alsace, France.

Main responsibilities include:

- Provide ongoing support for SAP applications, including SAP standard solutions and in-house developments.
- Develop and implement SAP solutions, particularly in **logistics modules** such as SAP **MM (Materials Management)**, **SD (Sales & Distribution)**, **WM (Warehouse Management)**, as well as **cross-applications**
- Analyze global business processes and workflows to enhance efficiency and compliance.
- Manage project phases independently, ensuring milestone achievement and proactive problem-solving.
- Support the integration of innovative and strategic SAP solutions for business needs, particularly in **logistics and supply chain management**.

### Who we are looking for:

Required skills include:

- Strong communication and coordination skills in an international environment.
- Deep knowledge of **SAP logistics modules (MM, SD, WM)**, including customization and project management experience.
- Ability to work independently with a goal- and process-oriented mindset.
- Business fluency in **English**.
- Strong analytical and conceptual thinking skills to drive innovation and efficiency.

**Work location:** Saint-Louis, Grand-Est, France

**Job Level:** Professional

**Working mode:** Hybrid working

**Working time:** Full time

**Employment contract:** permanent

**Division:** Diehl Metering

**Start:** 01/05/2025
