

"The **opportunities** at Diehl are fascinating. You can do a lot of exciting things and develop very well in between the corporate divisions."

# MAKE IT WORK

# LIVEABLE

## Head of Cabin Interiors Engineering (m/f/d)

### These are your tasks:

- Leading and mentoring a team of Senior Managers and assigned staff, fostering collaboration and communication, and development.
- Defining departmental vision, scope, objectives, and milestones, and aligning them with the overall Engineering and business strategy.
- Overseeing the allocation and management of resources (budgets, personnel, etc.) for various projects and tasks.
- Identifying and executing opportunities to improve Engineering methodologies, tools, and processes.
- Tracking performance, analyzing metrics, and providing correcting actions and regular updates to stakeholders.

### Who we are looking for:

- Ability to lead, motivate, and develop medium to large teams.
- Experience with various Cabin & Interiors Engineering areas and principles.
- Ability to develop and implement strategic plans and effectively resolve complex issues.
- Understanding of financial principles and ability to manage project budgets.
- Ability to effectively communicate with stakeholders at all levels.
