MAKE IT WORK

GLOBAL

Expatriate Dispatcher Purchasing & Logistic control for Romania

These are your tasks:

- After 6 months training period at a German site, you'll be relocated to Craiova (Romania) as an Expatriate and be responsible for setting up inventory control and storage management of the warehouse in a startup field
- You control urgent goods receipt (material and buy part) - physically and SAP booking. As well, you convert planned orders into necessary orders from suppliers.
- You manage and correct booking of inventories, clarify discrepancies and errors, root cause analysis and corrective actions
- You take care of managing purchased items/ materials targeting in time / in quality deliveries: manage postponements, coordinate critical delivery situations, process quality notifications, communicate with internal interfaces the supply of material
- You're responsible for managing recovery activities of urgent/late buy parts and providing it in an expedite process to production

Who we are looking for:

- You have completed vocational training as a freight forwarding clerk (m/f/d) or an industrial clerk (m/f/d), or you have a comparable qualification with a focus on materials management or logistics
- Several years of practical experience in the fields of logistics or disposition with advanced skills in SAP
- Experience in the aviation industry is a plus, but not required
- Willingness to relocate to Craiova, Romania & commitment to Diehl's internationalization strategy including hands on competence and flexibility
- Passion & engagement for intercultural collaboration and behavior as well as a good level of written and spoken English
